

Making mask of a sheet of kitchen paper/paper towel

①Print the pattern,

②Cut the pattern.

③Fold a kitchen paper in two and cut it based on the pattern.
Don't cut along the dotted line, continue cutting to make a point.
If possible, cut the pattern and the paper with a hand push cutter to shorten the time.

④Open the mask and put glue in the center.

⑤Put a plastic tie in the center.

⑥Fold the mask.

⑦Put the pattern on the mask.

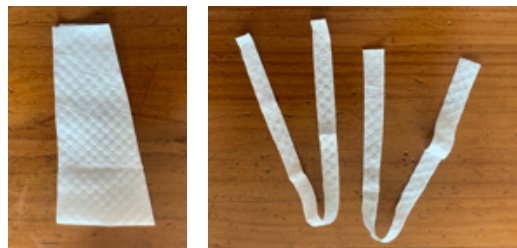

⑧Put glue on the orange colored part.

⑨Fold the orange part in half and cut off remaining the edge of it..

⑩Turn the mask inside out,.

⑪Make two ribbons from remainig parts of the kitchen paper.

⑫Adjust the length of the ribbons and glue the ends to each corner of the mask.
